

The Apostleship of the Cross

A message for our times...

A Spirituality for the ages...

Come and encounter the Cross of Love

Discern...and embrace its Apostolate

"The world ran away from the Cross because it saw only the side of pain or repugnance. That is why the Cross of the Apostolate is now presented – that is, the Cross with My Heart – to tell people that the cross is never alone, that the Heart of God, His mercy, and His love are always nailed to it in an inseparable way"
Jesus speaks to Venerable Concepcion Cabrera de Armida "Conchita" (Diary: 3,37).
